# **BULLETIN OF THE MODERN HUMANITIES RESEARCH ASSOCIATION**

**with list of Officers, Branches, Publications,  
and Members for the year 1922-3**

JULY AND OCTOBER 1922

Nos. 15 AND 16

*DOUBLE NUMBER*

## **IMPORTANT NOTICES**

¶ Subscriptions for 1922-3, due on October 1st, 1922, should be sent to **Professor Allen Mawer, The University, Liverpool**, who succeeds Mr Downs as Hon. Treasurer.

¶ The Hon. Secretary will be abroad during part of August and September. **All communications should be clearly marked 'M.H.R.A.'**, both then and in the future. Neglect of this precaution may cause serious delay.

## **THE PRESIDENT-ELECT**

As our members know, it has for a long time been the desire of the Committee that a President should be chosen from the United States, where the Association has taken so firm a hold and is continually increasing in numbers. The event has, however, been postponed until it could be made to coincide with some such joint meeting between scholars of different countries as took place at the University of London in July 1920, as it was felt desirable that the Annual Meeting should be a joint one. There seems now a possibility that this end may be accomplished, and, although we are not yet in a position to make an announcement, we hope to do so within a very short time.

## **CHANGES IN ORGANISATION**

The Committee recently received with great regret a statement from the Hon. Secretary to the effect that the work of the Association had increased so far beyond his powers, that unless some relief were forthcoming he would be compelled to resign. Members will know that Professor Allison Peers was responsible for the foundation of the M.H.R.A. four years ago, since which time it has grown beyond all anticipation, and the correspondence alone which the Secretaryship involves is sufficient to occupy one person's spare time.

\* \*

Attempts to obtain a voluntary Assistant Secretary have up to the time of writing been unsuccessful, and the Committee's only

## 2 MODERN HUMANITIES RESEARCH ASSOCIATION

possible resource has been to appoint, at a small salary, for a period of twelve months, a lady resident in Liverpool who will work under Professor Allison Peers and relieve him of as much of the routine as possible. At the end of this period the situation will be reconsidered, and it is earnestly hoped that some one or two persons may meanwhile come forward who are able to undertake or to share the secretarial duties, and thus carry on and develop the work of an Association the rapid growth of which is sufficient testimony to the usefulness of its activities.

\* \*

The new claim upon our finances which this re-arrangement of duties makes will, we hope, be met by our members as generously as they are able. Our Capital Fund, though small, has enabled us to undertake responsibilities which without it would have been impossible. A glance at last year's balance sheet, which is printed in this number, shews how real is the need for more donations. We urge every life member, therefore, to contribute half-a-crown, and every other member, in paying his or her subscription, to add that sum to the amount. If this can be done, our financial difficulties for the forthcoming year will be solved before they arise. It seems a simple matter...

\* \*

We welcome Professor Allen Mawer, one of the first and best known of our members, as our new Treasurer, and in doing so would assure Mr Downs, whom he succeeds, of our gratitude for all he has done for the M.H.R.A. since its birth. That event, indeed, took place in Mr Downs' own rooms at Christ's College, Cambridge, and he has never ceased to labour for the Association's welfare. It is a pleasure and a satisfaction to know that he has consented to remain on the Committee.

\* \*

Members will not be slow to realise that the greatest compliment which can be paid to our new Treasurer is the practical one of a prompt remittance of their 1922-3 subscriptions and donations to the Capital Fund.

## THE NEW ENGLISH BIBLIOGRAPHY

Many requests have been received for the new Bibliography of English Language and Literature, containing details of publications for 1921. It is hoped that the volume will be published very shortly after this notice appears; the labours of Dr A. C. Paues and her collaborators have been so successful that a Bibliography of nearly twice the size of last year's has been prepared. The delay in publication has been due to the difficulty of getting an estimate for the printing sufficiently low to make the Bibliography accessible to every member, which the Publications Committee is anxious should be the case. Members should order their copies

through the Hon. Treasurer, and not through the usual channels, if they wish to take advantage of the reduction in price. Further information may be had from Miss Paues.

### THE FUTURE OF THE *BULLETIN*

As has already been announced the *Bulletin* in its present format ceases with this number. It will, however, continue to appear as a supplement to the *Modern Language Review*, now the Association's journal, and members who do not subscribe to the *Review* will receive offprints exactly as they have received past numbers of the *Bulletin*. We hope by this change both to effect a small economy and to emphasise the fact that we have placed the well-being of the *Modern Language Review* in the forefront of our programme. We want every member to subscribe to it.

### A NEW RESEARCH GROUP

We have received from Professor R. S. Crane, our correspondent at North-Western University, U.S.A., further particulars of the newly formed Research Group in Literary Tendencies of the Later Eighteenth Century. The group has a twofold purpose: to advance research in the field of the later eighteenth century in England by means of systematic surveys of what has been done and of what needs to be done; and to make it possible for workers interested in this field to profit more fully than they have been able to do in the past from the ideas and investigations of their fellow-workers. The group expects to hold annual conferences and in the intervals to issue occasional informal bulletins. Of these No. 1 has just come to hand, and only pressure on our space prevents our quoting from it at length. Membership in the group is open to all scholars who are interested, and who will send their names, together with a list of the investigations they have in hand, to Professor Crane. We understand that, in response to an invitation in our last *Bulletin*, a number of members have already done so.

### MISCELLANEOUS NOTES

Mr B. W. Downs and Miss M. E. Seaton have been elected to the Committee of the Association in the places of Dr F. S. Boas and Miss M. Grey Skipworth, who have resigned. The Presidential Address for 1921-2, on *Joseph Ritson*, has been published by Messrs Bowes and Bowes, and may be obtained through any bookseller. Professor T. P. Cross has been appointed Correspondent for Chicago, Professor R. Jente for Washington and Professor F. C. Green for the Central Provinces of Canada.

It is not too late to subscribe to the *Modern Language Review* for 1922: 15s. sent to the Hon. Treasurer brings the complete volume.

## COMMUNICATIONS FROM MEMBERS

[Addresses of members will be found on the last pages.]

Mr J. Bouten writes that he is engaged upon a study of the beginnings of women's emancipation in English literature, and would be glad to hear from anyone interested. Specifically he is anxious to borrow or buy copies of E. R. Wheeler's *Famous Blue-stockings* (1910) and of William Godwin's edition of the works of Mary Wollstonecraft for the sake of the unfinished "Maria, or the Wrongs of Woman."

\* \*

Mr B. Libbish would be glad to exchange ideas with any member interested in the dramas of François Coppée.

\* \*

Miss N. Barnes has lately sent the Secretary two copies of her recent study of American Indian Verse with the request that he will put her into communication with anybody who would offer constructive criticism upon it. He will be glad to send a copy to the first person who writes to him.

\* \*

Professor Allison Peers hopes to publish by subscription (6s. before publication; on publication not less than 7s. 6d.) a new edition of the poems of Manuel de Cabanyes, with biographical and critical introduction, text, notes, appendices and a full bibliography. He believes that all members specifically interested in Spanish have been notified personally, but if any have inadvertently been omitted will they kindly let him know, together with other members who may wish to subscribe to the edition through their interest in the pre-Romantic period in which Cabanyes lived?

\* \*

A member has for sale, secondhand, in good condition, the first nine volumes of the *Modern Language Review*. They are offered at the price of 7s. 6d. per volume or £3 the set. Particulars from the Hon. Secretary.

### AIMS AND WORK OF THE ASSOCIATION

**FOUNDATION.** The Modern Humanities Research Association was founded at Cambridge on June 1st, 1918, and numbers at present 800 members. Its main object is the encouragement of advanced study in Modern Languages and Literatures by co-operation, through correspondence, personal intercourse, the interchange of information and counsel, and financial support for students engaged in research. The Association aims at improving and facilitating means and methods, and seeks such a co-ordination of isolated effort that those interested or engaged in the same branch of research shall be kept informed of each other's work, and that unnecessary duplication of energy shall be avoided.

**MEMBERSHIP.** Membership is open to graduates (and persons of the standing of graduate) of all Universities, British and Foreign; to other persons, at the discretion of the Committee; and to approved institutions and associations.

**SUBSCRIPTION.** The minimum annual subscription is 7s. 6d. and should be paid to the Hon. Treasurer, Professor Allen Mawer, The University, Liverpool. A single payment of £5. 5s. entitles to life membership. Perpetual membership (for institutions and associations), £10. 10s.

**FEDERATED BODIES.** The Association is federated to the Modern Language Associations of England and America, and any member may join the latter Association by paying the reduced subscription of 10s. 6d. through its Hon. Treasurer.

**PROSPECTUS.** The Hon. Secretary, Professor E. Allison Peers, The University, Liverpool, will be glad to send to any non-member who is interested in Modern Language Research a copy of the prospectus explaining the aims and constitution of the Association.

**CAPITAL FUND.** It is particularly desired to draw the attention of members to the **Capital Fund**, founded to enable the Association to carry into effect some of its most urgent schemes. **The Committee appeals to all members who have not yet done so to make a special contribution, large or small, to this Fund, preferably a guarantee for five years.**

**HELP OFFERED.** Gifts of books or pamphlets are always greatly appreciated. They are handed to the appropriate Subject-Group if one exists; otherwise they are retained at Headquarters until a Group may be formed.

The Association, through its Subject-Groups and Advisory members, is always glad: (1) to put members into touch with others of similar interests; (2) to procure specialised information from libraries or elsewhere; (3) to suggest lines of research to its less experienced members; (4) to advise any wishing to learn subsidiary languages for purposes of later research; (5) to arrange for the copying of passages from books, manuscripts, etc. at moderate terms.

The Secretary has (1) particulars of published and unpublished theses in British University Libraries; (2) catalogues of dealers in rare and foreign books; (3) particulars of research facilities in Chapter House, Cathedral and private libraries; (4) a list of members, and other persons, who undertake reading and copying at the British Museum and other libraries.

Any member wishing to do so may insert a notice offering or asking for help in one or more numbers of the *Bulletin*.

## HELP WANTED

### GENERAL

It is particularly asked that all who can will from time to time help the Association in the following ways: (1) By suggesting suitable **subjects for research** in various fields (no such list of subjects will be published except with the permission of the person suggesting them). (2) By suggesting subjects for **collective work**: all communications, preferably in duplicate, will be considered by experts, filed, and, if adopted, published in the *Bulletin*. (3) By offering their services in the collection of any kind of information likely to be of service to the Association. (4) By co-operating with the organisers of Subject-Groups.

### PUBLICATIONS

**Modern Language Review.** This quarterly review is the journal of the Association, and is edited by Professors J. G. Robertson, G. C. Moore Smith and Edmund G. Gardner. It is obtainable by members (through the Hon. Treasurer) at the reduced subscription of 15s. post free, payable in advance. The ordinary rate is 25s. and the price of single numbers 7s. The minimum size of the *Review* is 384 pages annually. It appears in January, April, July and October, and its contents are: (1) Original articles, embodying the results of research or criticism; (2) Texts and Documents, hitherto unprinted; (3) Miscellaneous Notes and Discussions; (4) Reviews and Minor Notices of Books; (5) Classified Bibliography of New Publications; (6) Chronicle of the M.H.R.A.

**Bulletin of the Association.** Up to and including the present issue back numbers of the *Bulletin* may be obtained from the Hon. Secretary at 1s. each, with the exception of Nos. 2, 3 and 4 which are out of print. The *Bulletin* is issued free of charge to all members every quarter. Members who subscribe to the *Modern Language Review* will in future receive an additional copy, which they are asked to use to make the Association better known among their friends.

**Bibliography of English Language and Literature.** This Bibliography appeared for the first time in 1921, and may be ordered through any bookseller, or from the publishers, Messrs Bowes and Bowes, Trinity Street, Cambridge. Members, by ordering through the Hon. Treasurer, may always obtain copies at a cheaper rate. The 1921 Bibliography may still be obtained at 3s. It contains a select list of over one thousand titles of books and articles published in eighteen different countries during 1920.

**Pamphlets.** The following pamphlets may be ordered from the publishers, or through any bookseller, at 1s. per copy, postage extra:

- i. Inaugural Address, by Sir Sidney Lee (President, 1918-19).

2. The Promotion of Modern Language Research among Teachers, by Professor F. S. Boas.
3. Un point de vue français sur le but de la M.H.R.A., by Professor Gustave Lanson (President, 1919-20).
